ARRIVAL OF...

NATHAN TODD ZASADA

In their third collaboration, authors Julie & Todd Zasada have returned to the male-dominated genre that made them famous with *Nathan Todd*. The final chapter of their trilogy follows a young boy as he sets out to find his place in the world.

As in their first two best sellers, *Justin Richard* and *Timothy Joseph*, brown hair and blue eyes are the beauty marks of Nathan Todd. Visit www.picturetrail.com/zasada for a closer look at the boy who inspired this heartfelt true story.
